REDUCED DISPATCH FEE

Only highly trained technicians driving vehicles loaded with thousands of parts to quickly make hundreds of the most common electrical repairs are dispatched to your home. ELECTRICAL-SAFETY INSPECTION

Your family's safety is our top priority. Your electrical system can change considerably and even destabilize over the course of 365 days of use. That's why you will receive a Whole-House Electrical-Safety Inspection today and every 11 months that you are a plan member. You want to stop any potential problems before they become a hazard to you and your family.
